DECLARATION OF CONFORMITY

NBR Lagging For Hygienic Conditions

(EC) 1935/2004
FDA CFR 177.2600

Interroll hereby confirm that the NBR material used for lagging - when the Interroll Product is specified for food processing and other hygienic applications - comply with the Food and Drug Administration of America (FDA) CFR 177.2600 and meet the requirements of the German Commodity Ordinance (or the respective stipulations laid down in the European Regulations on Plastic materials) as well as Regulation (EC) No 1935/2004.

The Listed compounds which comply with the above mentioned requirements:

• BN7062/ INT White
• BN7062/ INT Blue

This declaration is valid for the product delivered by us as specified above. The Directives 82/711/EEC and 85/572/EEC provide a guideline for the selection of test conditions to be used for various food products. According to that and under consideration of the food contact conditions stated, the product complies with the stipulations of these Directives.
