1 Guarantee for Interroll Drum Motors

INTERROLL provides 2 years guarantee covering their range of Drum Motors against faulty workmanship and/or materials from the date of delivery or collection from their works.

The guarantee period is based on normal operational use of the product for 8 hours per day, unless otherwise previously agreed in writing.

Subject to the terms of this guarantee, INTERROLL will repair or replace any faulty product free of charge that is returned to their factory within the guarantee period. Repairs carried out under guarantee period will not extend the guarantee.

2 Warranty restrictions

1. INTERROLL and their distributors accept no liability for failure or damage to the product due to:-

   1.1. Failure to carry out INTERROLL’s installation or maintenance instructions.
   1.2. Failure to install a recognised motor protection device
   1.3. Failure to connect the INTERROLL internal thermal protection switch when fitted.
   1.4. Reversing the drum motor before the motor has come to a complete standstill.
   1.5. Use of the drum motor outside the specifications stated on the data plate and/or current INTERROLL catalogue or quotation.
   1.6. Repairs, alterations or modifications carried out to the product by anyone other than a qualified INTERROLL representative will render this guarantee null and void unless such repairs have been previously agreed in writing by INTERROLL.

Exclusions:

2. The INTERROLL guarantee excludes any liability for:-

   2.1 Rubber lagging or other added materials due to normal wear or misuse.
   2.2 Costs of the removal and return of the product to INTERROLL under the terms of this guarantee.
   2.3 Damage to other equipment used in connection with the product.
   2.4 Loss of earnings, personal injury and any other costs incurred due to the failure of the product.
